

Who We Are

Gain Compliance is  
100% focused on  
Annual Statement Filing  
for insurers.

It's all we do.

**And we do it very, very well.**

# Gain Compliance is the first, new, NAIC-approved vendor for Statutory Financial Reporting in almost two decades

It's not your imagination: you are, in fact, using outdated software. This is one market that innovation has passed by. **Until now.**

## Gain Compliance = Annual Statement software

Gain Compliance has one mission: to make Stat. Financial Reporting software that is heads and shoulders better than our competitors.

Gain doesn't offer solutions for policy admin, general ledger, international tax, unclaimed property, or anything else. Just Annual Statement. Our "all in" approach provides clarity for not just our company and product, but also support.

**You will have a great filing experience with Gain.**

---

Gain's pure cloud-based solution leverages modern technology and design principles. This fresh approach creates better outcomes—as measured in efficiency and improved compliance—for financial reporting teams.

But don't take our word for it. **Schedule a quick demo and see what everybody is talking about.**
